Dear Sir,
I hope you are doing well.

I wanted to kindly follow up regarding my pending salary from Cordia Group of Educational Institutes. I have completed all necessary clearances before leaving the organization. However, my salary is yet to be processed.

Although I am no longer part of the institution, I have been assisting with queries and resolving any issues whenever needed. I would sincerely appreciate it if you could confirm when my pending salary will be cleared.

Thank you for your time and support. Looking forward to your response.

Thanks & Regards

Dear Sir,
I hope this email finds you well.

I am writing to follow up on my previous email regarding my pending salary from the Cordia Group of Educational Institutes. As you know, I completed all necessary clearances before leaving the organization, but my salary has not yet been processed.

Even though I am no longer with the institution, I have continued to assist with queries and resolve issues when needed.

Could you please provide an update on when I can expect my pending salary to be cleared?

Thank you for your time and attention to this matter.

Sincerely,

Thanks & Regards

Dear Sir,

Following our discussion with you and Mr. Adhikari, I have completed a full backup of the Uma Rana Public School website. The backup package, which includes both the code and the database, is attached as a zip file and is ready to be deployed on the Cordia Webserver.

Could you please proceed with releasing my pending salary? If any additional information or assistance is required from my end, please let me know—I would be happy to help.

Looking forward to your response.

Best regards,

Thanks & Regards
